***Bring a friend week...** This is intended for the students to bring a *friend their age* and is not intended for aunts, uncles or parents. They will be partner dancing and need someone around the same age/size as they are.

****Parent Watch** weeks are intended for student's parents/guardians. Space is limited and we would like to ensure that all parents/guardians are able to watch their dancer's progress before friends of the family. Please NOTE: There are only 2 watch weeks during the season, plus a Holiday Show in December. Watch weeks are in October and March (noted above). Our Competition Lines DO NOT have parent watch weeks.

*****Spring Fever Week**... We will celebrate summer early, wear your danceable summer clothes and get ready to have some FUN!

**** **Pictures...** Your dancer's class will have both individual and group photos during their regular scheduled class the week of April 9-12, 2012.
